# **WONDERFILL**

ARTIFICIAL TURF INFILL

Available in  
12/20 Green 16/30 Green 16/30 Green/Black

**\*WONDERFILL can be used to infill artificial lawns, putting greens and playgrounds. WONDERFILL has a special coating which includes Zinc Omadine™ZOE™Antimicrobial to help prevent growth of bacteria, mold and mildew. This infill is less abrasive then other infills due to its shape. It helps keep turf blades standing up and prevents damage to the blades as well.**
